Alma Mater

Dear Alma Mater,
Fairest of Shrines,
May everlasting glory
Forever be thine.
Crowned with laurels of virtue,
Decked in garlands so bright,
We carry the banners
Of the green and white.
We carry the banners
Of the green and white.

Ever onward you struggle
Til the goal has been gained,
And we as descendents
Bear aloft that fair name.
So rejoice in thy glory
Praises to you we sing,
Dear Union City
May thy fame never dim,
Dear Union City
May thy fame never dim.

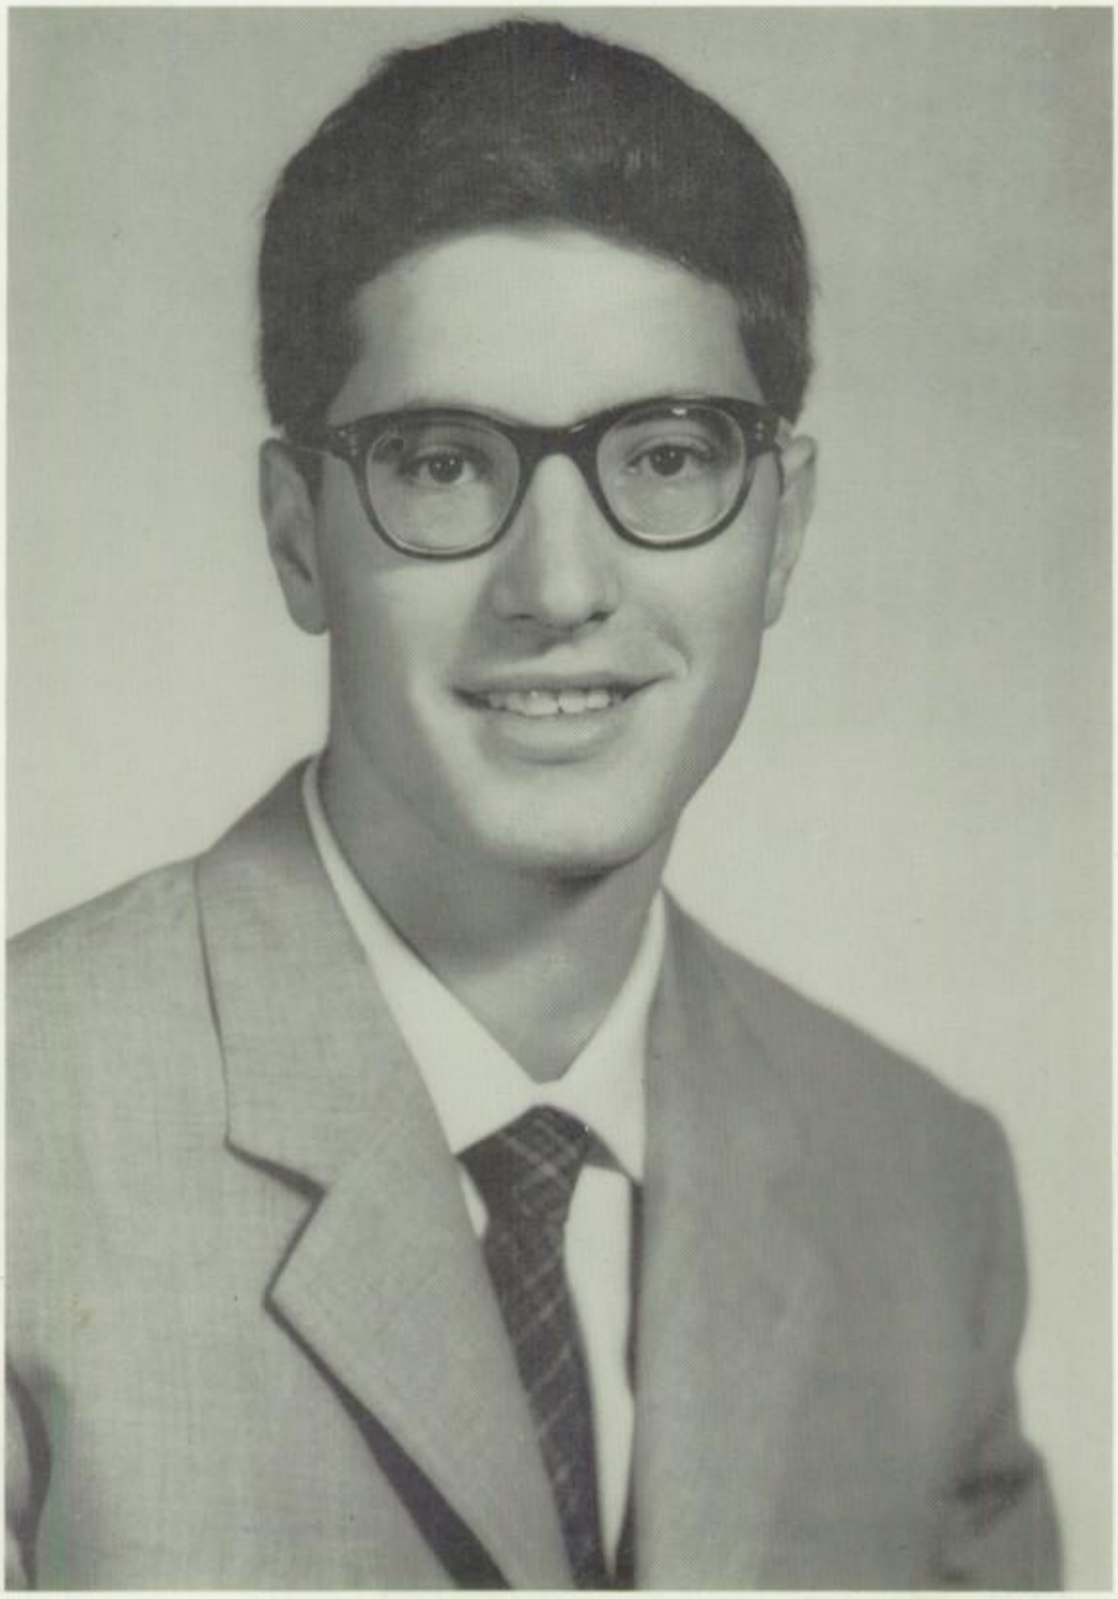
Dedication



We, the Senior Class of 1960, dedicate this yearbook to Franco, our fellow classmate, friend, and foreign exchange student.

Franco, as you all know, is from Italy. We have all gained a lot of worthwhile information about Italy from him.

We all wish Franco future success in his desire to return to the United States.

Class Advisors

Carol A. Brewer

Walter E. Seley

Richard Fox

NOTE OF THANKS

The Senior Class of 1960 would like to express their sincere thanks and gratitude to our three class sponsors, Miss Carol Brewer, Mr. Richard Fox, and Mr. Walter Seley.

They have contributed much time and effort to our projects and activities.

We shall always save a little room in our hearts for these teachers.

Each local board of school directors is a lay body created for the purpose of carrying out the will of the legislature in each community. The legislature has vested many powers and duties in board of school directors and their officers. These powers and duties may be classified as (1) ministerial and (2) discretionary. Ministerial powers and duties are those in which the board has no choice, since the members are merely carrying out the will of the legislature. Discretionary powers and duties are those in which the board of school directors has the power to exercise judgment or choice.

L. LEROY BREST

Supervising Principal

During the past 100 years in the United States the public school increasingly has been expected to train youths in democratic principles and practices. A look at the record will show that public education has done more than any other single agency in our national life to energize the economic, social, political, and religious freedom that adds up to American Democracy. The public school has reflected most truly the opportunity that America has symbolized throughout the world.

Principal

To The Members of the Class of 1960:

It has been my pleasure and privilege to watch and guide over you for the past six years. The time has passed very quickly; now we are at the parting of the ways.

I have appreciated very much your industry, loyalty, and perseverance. I hope that you will continue to fit yourself for the noblest of all calls, the call to service.

Class Colors - Red & White Class Flower - Red Rose

Class Motto - "He who findeth knowledge findeth life"

Our sophomore year in high school was not too active. Our biggest project was the candy sale. We made a grand total of $500 profit beating all previous sophomore records.

Several big projects highlighted our junior year. We had the traditional magazine sale and hit our goal of $3200 as was expected. In doing so we broke all other junior class records, and ours is a record that is unbeaten even today.

The most important project of all was the Junior-Senior Prom and Banquet on May 20 and 22. It was very lovely as our theme, "Moonlight and Roses" suggests.

We also had one big dance, "Sadie Hawkins," which was held in April.

The last few days were spent dreaming of the coming year.

We made it at last! Our last and certainly most important year in Union City High was upon us.

As seniors we had many activities and projects during the '59-'60 school year.

Our foreign exchange student this year was a nice lad from Italy. His name was Franco Guadagno. He was lots of fun and very interesting.

The entire senior class enjoyed a field trip to three of Erie's industries. It was both very interesting and educational.

On December 14, we were proud to present a four act play entitled "Seventeen." This was a huge success and everybody enjoyed presenting it.

We had many dances during the year, most of them being record hops after the Friday night games. Some of these were The Shaggy Dog Hop, The Teddy Bear Bop, The Razz-a-ma-tazz Romp, and the biggest of the year, The Turkey Trot, with the popular Four Jets from Erie.

Other projects included selling fudge, sponsoring buses for away games, bake sales, and car washes.

The gala senior trip was spent in New York City. We all had a grand time. We spent May 19, 20, 21 there.

The most exciting events that ended our high school years were Baccalaureate May 29, Class Night May 31, and Commencement June 1.

Good Bye Union City High. We'll miss you.

The FBLA is sponsored by the United Business Education Association under co-sponsorship with the National Education Association. Its primary purpose is to further the aims of educating students to be better, more informed citizens and consumers of our every day business life and to prepare students for leadership roles in the business world.

This is the second year that the FBLA has been a club in Union City.

Our activities so far this year have been a spelling test, dances after the basketball games, a bake sale, attending a convention in Lawrence Park, and setting up a typing service. Also this year one of our girls, Barbara Looker, won first place in the Region I Spelling Contest in Youngsville and will attend the state convention.

Our future plans are to better ourselves in everything we try to do.

The primary purpose of the Student Council is to have student representatives cooperate with parents, school board, teachers, and administration in order to make our school a better place in which to get an education.

The Student Council is made up of one member from each homeroom and the presidents of the junior and senior classes.

This year we are privileged to have Franco Guadagno, an exchange student from Italy, on the council. He was sponsored by last year's council. We hope to have another next year.

Regular council duties: Cafeteria dismissal, hall monitor, conducting morning devotions, sponsoring special assemblies, hosts to visitors, and ushers at parents' night.

Projects for 1959-1960 school year: Orientation day for seventh graders on the first day of school, student store, Santagram sale, canned food drive at Christmas time, individual picture sale, clothing drive, soap sale, exchange student share sale, Student Council Convention in Erie Pennsylvania, penny carnival, and hosts for summer exchange student tour.

The F. T. A. has been very active in the past year.

Our first project was visiting Indiana Teachers College on October 30.

We held our formal initiation in the Winter Green room of the Union City Dinor on December 3.

On January 25, our informal initiation was held in the high school gymnasium.

This year we had a membership drive. As a result we now have 31 new members.

Basketball Queen

The U-Clan nominated the candidates for Basketball Queen and chose her court. This year the three candidates were Carol McCrillis, Janet Fisk, and Nancy Lord. From the three nominees Nancy Lord was crowned the 1960 Basketball Queen.

The members of the Queen's court included Pat Malec, Judy Johnson, and Susan Morse.

Livestock Queen

Janet Fisk was selected from the Senior F.H.A. girls by the Union City Chapter of F.F.A. She represented Union City in Erie, Pennsylvania on September 21, 1959.

Schools from Erie and Crawford Counties may participate in the Northwestern Livestock Association Meet.

The Union City Area Senior High School Chorus began preparations in September for the annual Christmas Program. The program was presented on December 16 and included a variety of Christmas music woven into a narration of the Christmas story . The same program was presented two days later to the Junior-Senior High School Assembly. The chorus was also on stage to lead the assembly for the annual Christmas Carol Sing on the last day before vacation.

The Chorus ended the year '59 by participating in the ground breaking ceremonies for our new school addition.

The new year found the chorus starting a new project, a minstrel show to be called "Like Minstrel '60". While most of the chorus was preparing for the show others were preparing for the District Chorus Festival and Regional State Chorus Festival. The minstrel show was something new but when April 22 arrived 33 chorus members had solo parts prepared. It was a big night that ended with a big party for the entire cast. We ended the year 1960 with our music in the Baccalaureate service. Here we said farewell to our parting senior members and long live the memories of Senior High Chorus 1960!

Our band this year was smaller than last year's band, but we made up for it in effort.

During the football season we marched at all the home games and at one away game at Girard. We also marched in the F.F.A. parade at Erie which was televised.

At the annual chorus Christmas program the band played a few introductory numbers before the program.

In April we had our annual Spring Concert with the elementary, junior and senior band participating. We had an exchange concert with Wattsburg in May. We hope this will become an annual event.

The majorettes wore their new uniforms in the Memorial Day Parade. The parade was shortened somewhat because of rain.

We had some band members this year who were fortunate in being able to participate in District and State Band.

To conclude this year the band has been asked to march in the General Electric 50th Anniversary parade.

We were all proud of our band this year as we hope you were.

Due to lack of interest and participation in the senior, junior, and sophomore classes it became necessary to cancel the senior high track program for this year. This became the first sport in the long history of our school to be dropped for this reason.

The track program was then placed on a junior high level with tremendous response from the 7th and 8th grade boys. The above boys were the participants in this program. The following boys have won first place in each of the following categories:

	7TH GRADE	8TH GRADE
High Jump	Dan Church	Wayne Wright
Broad Jump	Tom Bidwell	Wayne Wright
Javelin	Jim Heaney	Maurice Bennett
Discus	Paul Phanco	Larry Luba
Pole Vault	Steve Luba, Ronnie Wetmore	Terry Sanden

Building for the Future

ADDITION TO THE HIGH SCHOOL

The high school addition, when completed, will consist of the following additional rooms: (1) Art Room, (2) Home Economics Suite, (3) a general music room, (4) a library, (5) High School cafeteria, (6) 4 regular classrooms, (7) general science room, (8) a biology room, (9) a chemistry room, (10) an addition to the industrial arts room, (11) one teachers' conference room, (12) one students' conference room. With the present rooms and the additional rooms, we will be able to accommodate an enrollment of 800.

The preliminary work on the addition to the high school started during the week of December 14, 1959, and the completion date for this building will be January 19, 1961.
